

JOB OPPORTUNITY

GRADUATE BUILDING SURVEYOR

Vacancy:	Graduate Building Surveyor
Location:	Manchester
Contract:	Permanent
Hours:	Full time
Salary:	Competitive

SDA Consulting LLP are looking for a Graduate Building Surveyor to join our Manchester office. You will have a 2:1 (or above) in Building Surveying and be looking for your next exciting challenge and opportunity to progress with your APC.

SDA Consulting LLP are a leading independent construction consultancies in the North West. We offer a comprehensive range of services including Building Surveying, Quantity Surveying / Construction Cost Management, Project Management and Clerk of Works services.

You will join our established building surveying team and be given the responsibility to gain hands on, practical experience on projects for predominantly schools, colleges and universities. You will gain invaluable experience in the delivery of extensions, alterations, repairs and condition surveys under the expert guidance of our chartered surveyors and developing your key building surveying skills to enable you to successfully manager a number of projects at the same time.

We offer a RICS accredited Structured Training Programme for those candidates wishing to attain status as a RICS Chartered Surveyor with the advantage of offering a Counsellor who is a RICS APC Assessor. Our programme is an important step in becoming a chartered surveyor and we are looking for individuals keen to stretch and develop themselves into a professional role.

What are we looking for?

- A minimum of a 2:1 BSC Hons Degree in Building Surveying (or equivalent)
- Skills: excellent working knowledge of AutoCAD and/or Revit and proficient with Microsoft Word, Excel and Outlook
- Licence: Full UK driving licence and use of a car
- Someone with a real passion for building surveying and construction
- Excellent communication skills with ability to build good working relationships
- Eager to learn and undertake training

What are we offering?

- Competitive salary – subject to candidate and experience
- Structured APC Support from an experienced RICS APC Assessor
- Flexible, Home Working and Hybrid working policies following business integration period
- Holiday Purchase and Buy Back Scheme
- Holiday entitlement: standard 31 days (inclusive of bank holidays) rising by phased increments at completion of two, three, four and five years service to 36 days (inclusive of bank holidays) after 5 years service

Apply

Applicants should send a **covering letter** highlighting why they believe they are suitable for the role together with a detailed **CV** including qualifications and grades and any experience to:

recruitment@sdaconsulting.co.uk.

Note: Applicants who fail to provide all the items requested may be excluded from the shortlisting process.

What we will use your data for and how long we will keep it

Unless you inform us otherwise we will hold your CV for 12 months from your enquiry for the purpose of considering you for our vacancies only. We will not provide your CV to any third parties and will treat all applications in confidence. By applying you agree to these conditions but if you would prefer us to only hold your personal data for this vacancy, please email recruitment@sdaconsulting.co.uk or telephone on 0161 819 5252.

How long will the vacancy be open?

We would recommend that candidates are proactive in sending their application as we will be assessing applications as we receive them and may invite candidates in who meet the criteria.

NO AGENCIES

PLEASE NOTE: In the event of a high number of applications being received we will only be able to respond to shortlisted candidates. In addition, we will not be in a position to enter into correspondence with individual candidates before the short listing stage.
